Arousing Outcome of Consumer Protection Law

About the Seminar

On July 20th, 2020, the new Consumer Protection Act, 2019 came into force in India, replacing the previous enactment of 1986. The Consumer Protection Act, 2019 received the assent of the President on 9th August 2019.

The first consumer protection legislation Consumer Protection Act, 1986 was introduced with the primary objective of protecting consumer rights. Over the past 20 years, the consumerism in India has seen a paradigm shift with the advent of technology and the introduction of e-commerce. The majority of the provisions of the Act have been notified vide notification¹ dated 15th July 2020 and has been brought into effect from 20th July 2020.

The object clause of an Act is to provide for protection of the interests of consumers and for the said purpose, to establish authorities for timely and effective administration and settlement of consumers' disputes and for matters connected therewith or incidental thereto.

The success of any legislation depends upon its acceptance and application. The 'consumer' to be a real king must be aware about his rights and laws available to protect his rights. Different dimensions co-exist with the consumerism, aspects like e-commerce, advertisement, services and so on. These aspects are inevitable now in our private as well as social life. The intellectuals

academicians, bureaucrats, market players, forums, NGOs, dispute settlement agencies and many others are involved in this spectrum. The seminar will ponder upon varied facets of consumer protection laws.

Objectives of seminar –

The prime objective of the seminar is to discuss and disseminate the information about the consumer protection laws. Consumer movement is not an outcome but an unending process moving to comprehend the outcome of market players.

The seminar will focus on the provisions, working and loopholes of the new enactment in the light of growing market forces. Definitely the seminar will contribute towards spreading the awareness of new consumer protection law.

Sub-Themes

The topic chosen is illustrative in nature. Researchers, academicians, agencies and all other activists are invited to contribute and express their thoughts, share experience, and make free debate on related and relevant issues like-

- ✓ New Consumer Protection Act
- ✓ Dispute Settlement authorities
- ✓ E-commerce
- ✓ Advertisements
- ✓ Service Providers
