Students can take higher modules each subsequent year and achieve higher levels of competence and certification.
- v- The College will ensure that adequate publicity is given to the courses among the students through various means.
- vi- The College will provide a slot of 3-4 hours in its weekly timetable (for about 10 weeks in one or two semesters) and/or a few days campaign in its annual calendar for implementing contact sessions and service learning activities
- vii- The College will ensure that the mentors' reports and students' assignments are submitted to the Academy on time for evaluation.
- viii- The College nominates a capable and interested member of the Cell for Universal Human Values to be the Programme Coordinator at the College and be the liaison with the Academy.

- iii. Subject to any financial constraints and any such arrangements as may be necessary to safeguard the confidentiality of any information or documents, the parties agree to provide each other with such documents, information or materials as may be necessary for any activity to be carried out under this Agreement.
- iv. Quality control is the shared responsibility of both the parties, each one in its own sphere of activities and responsibilities.
- v. Both the parties share the right of accepting into the course or dismissing students who desire to join the course.
